Here we are again together  
In this space and time of freedom

Take all of me  
Change all of me

You are the healer  
Jesus the forgiver

### 03. Breathe

*(Jacinta Rae)*

jacintarae.com

Breathe in  
Breathe out  
The fresh sea air  
Wind blowing through my hair  
Crabs walking on rocks  
Ocean roaring away

Breathe in the freshness of God  
Sweet smell of victory  
Freedom, found in God  
Freedom is found in God

Live as free in Christ  
Crystal clear water  
Just like you and me  
Cause of Jesus  
And His cleansing blood  
The sand on the beach  
Every grain is that of Christ

Jesus set me free again  
Jesus make whole again  
Jesus make me Yours again  
Jesus

### 05. Whole

*(Jacinta Rae, Nathan Singh)*

[jacintarae.com](http://jacintarae.com)

My God, My King  
You are my everything  
My Lord, I sing  
To You my broken dreams

I'll follow You  
To a place  
Where I know I can't fall  
I'll follow You  
To a place  
Where I know I'll be whole

My Lord, My King  
Comfort and joy You bring  
My hope, My light  
Your peace it speaks inside

### 06. In Your Arms

*(Jacinta Rae)*

[jacintarae.com](http://jacintarae.com)

Spirit come and rescue me  
Spirit come and hold me  
Jesus come and change my view  
Point my heart toward You

All I know is I'm right here  
In Your arms  
Where I should be

Father come and speak to me  
Daddy come and show me  
Show me how to live Your way  
Jesus come and fill me

Spirit rain down on me

07. A warm place

*(Jacinta & Colin Rae)*

[jacintarae.com](http://jacintarae.com)

It's a warm place  
With a stream  
Flowing through the centre

And the music  
It just goes on and on

It's a place for hearts to be whole  
Healing flows in that river  
There is no more pain, no more fear  
No death, only freedom

Stand in awe of our Great Creator  
Heaven sent by the Father  
Welcome home to your destination  
Life, love and completion

08. Sunbeams

*(Jacinta Rae)*

[jacintarae.com](http://jacintarae.com)

Sunbeams from heaven  
Falling through the sky  
Sunbeams from heaven  
Lift me up so high

And the hope  
That Jesus gives is real  
And the love  
That Jesus gives is so real

I'm with my God now  
In the highest place  
Right with the sunbeams  
Mercy and His grace

And I want You  
O Lord

09. This Love  
*(Jacinta & Colin Rae)*

[jacintarae.com](http://jacintarae.com)

Jesus You fill me  
Jesus You free me  
Jesus You love  
You love me

This love I've found  
Such a gift to me  
Like gentle rain  
On my soul  
Falling from heaven
