01. You are the King

The sun shines on the water
O Lord You're there with me
I know You are my King
I know You are the King

You rise the sun Lord Jesus
You lift it high for me
I know You are my King
I know You are the King

You set the sun Lord Jesus
You let it down for me
I know You are my King
I know You are the King

You light the sky Lord Jesus
You set the stars in place
I know You are my King
I know You are the King

Lord let Your light shine in me

02. Jesus take it all

Jesus take it all
I give all I am to You
Sorry for leaving You behind in my life Lord
I want to give it all to You

I'm standing at the crossroads
Don't know where to turn
So I search through and through
Till I find the one my heart loves

Jesus sets my feet on solid ground
But I fail to see His plans
I'm lost, I'm tired of searching
That's why I give it all to You O God

I know I end up here always
But there is nothing that can
Separate me from You my King

I need to give it all to You.

03. Free in Jesus

Cause I wanna be free in Jesus today, forever
His love for me is everlasting today, forever

I know You're here with me but I keep falling
No matter how far I fall You pick me up every time O Lord
My life is in You for eternity

Lord I am so unworthy, but Lord You are so merciful
You lift me up in Your strength You let me follow you O Lord
I know I'm a sinner and Lord I come to the cross every single day

The truth will set you free
He is the way the truth and the life

04. Free to live

The Prince of Peace is in my heart
He died to set me free
He gave His life so I could see
Where the spirit is there is there is liberty.

There's so much joy within my soul
My heart has over flown
I'm free to live for God today
Right now He is my life

I'm so glad that He found me
Broke away the chains of the dead
Gave me new life in Jesus

And now I'm free

And now I'm so free.....to live

Give it all to God right now

I've cast my burdens on Jesus completely
I've laid what was at the foot of the cross on bended knees

05. The living fountains

In this great liberty
You have set me free
I live before the throne of God
I serve You day and night
In Your temple Lord
I will look to You always and forevermore

The Lamb is in the midst of His kingdom
My Shepherd leads me to the living fountains of waters
And God has wiped away every tear from my eyes

There will be mountains of fire
And blood filled seas
The stars fall from the mighty heavens
God is the key to the living fountains
Waters will never run dry
God never turns us away
So amazing, marvellous

I look to You my God
I look to You my King
And You have lead me to a place where I am free

I am home

My help comes from the Lord
Who made heaven and earth
We will not be moved
My soul is the Lord's

06. God's glory

When the lightning crashes
When the thunder roars
When the hail falls down from the sky
Our God is near

When the oceans roar beyond our reach
They turn us upside down around
God knows every grain of sand
Just like He knows us by the back of His hand

How great the sky reveals God's glory
How plainly it shows what He has done

Our God is here He's alive today
Our God is near He is right by your side

Where are you going?
Are you following God?
Are you following the Lord?

07. Here I am

Rolling hills and canopy of trees under heaven
Crystal breeze and mirrored stars in the oceans reflection

Here I am standing with You on the mountain top Lord
Here I am standing with You on the mountain top Jesus

Here I am helpless broken and lost
Here I am my heart cries out to You Jesus

And here I am standing with You on the mountain top Lord
Here I am standing with You on the mountain top Jesus

08. You are my God

I know my God is with me
I know He never leaves me
You have come and set me free
Now Your Spirit is right inside of me

Without Jesus I am nothing
He gives me strength & life & love & hope
Nothing can ever come between us
Cause You are my God

I trust in You Lord Jesus
My confidence is in You my King
I am planted by the waters
My roots go outside to the streams

Your Spirit lives inside of me
You lift me higher than the mountains

I know my God is with me
And I know He never leaves me

09. Top of the mountain

When the sun shines
And the sky is blue
There is no struggle at all
But when the sky is grey
The sun struggles to push its way through
Tell me...

What can get you to the top of the mountain?
Who can get you through the stormy seas?
It's Jesus my Lord
Jesus my Lord... and Saviour

When the sun shines through the trees
What makes it get to the darkness?
It's Jesus my Lord....
And when you're half way up the mountain
What makes you want to carry on when you feel like you're falling?

Tell me....
