

With You

jacintarae.com

I know You gave me life
I see You treat me right
I'm tired of all this pain
I need You in this game

I see someone new
When I look at You
I give You all this pain
Cause You died and now You reign forever more

*I live with You my Jesus
Every single day You're with me
I need Your eyes of faith Lord
Be my King today, forever*

King of my heart

jacintarae.com

I need Your peace in my life
I need Your love in my soul
Lord take me to a place that I can be set free, set free

Lord I need You in this place
Lord I need Your presence here
Lord I need Your saving grace
Lord I need You, I need You, I need You

*So I live inside
O this place of life
Where I live with Jesus as the King of my heart*

Sing

jacintarae.com

I will love You, O Lord my strength my song
My rock, my fortress, my deliverer
My shield, my salvation, stronghold, O my friend
I will love You till the very end

But I trust in Your unfailing love
My heart rejoices in Your salvation
I will sing to the Lord for He's been good to me

I will sing

The One

jacintarae.com

I don't why I'm here in this place
But I think it's because of His grace
I'm tired of this place of this same old routine
I need something fresh, I need to be free

*I see the hope in You in me
Jesus is the One*

Our best friend in the world
He made us so good
If we are in Christ then we are new
In this place, this same old, old routine
The King of Kings will carry us through

(ad lib.)

Be the King (of me)

jacintarae.com

Fiery sunset in the distant sky
Here I stand before You with my arms open wide
I'm ready to receive You, my Lord and King
I need You in this desert, Your sweet waters of life

Be the King of this heart
Be the King of my life
Be the King of my world forevermore
Be the King of me
Be the King of me

I hear the rain falling and I know You're near
I stop and I listen for Your whisper in my ear
I know I am nothing but with You I can do everything

I need You

Father in heaven how we love to give You praise

Jesus I need You in this place that I am in
Jesus I trust you and I know You are my friend
Thank You for grace and life, mm Jesus I am Yours
Come Holy Spirit, lead me straight to You

That Day

jacintarae.com

Father thank You for Your Spirit
Living inside of me
Now I'm a part of You
And Jesus, You're a part of me

*Thank You for that day on the cross
Where Jesus, You died for me
You died for all my sin and shame
Yesterday, today, tomorrow, forever*

Lord I'll sow in tears
I will reap in joy
In this brokenness O God
Your love shines down

We will rise with Christ on that glorious day
We will rise today

The righteousness of God
Will show the power of the cross

*Christ is risen
Sin shall be no more*

Water Lily

jacintarae.com

Together we sat by the still waters
You and I, O God, we rest here
We share the peaceful breeze
I listen to Your still small voice
I feel Your presence in my every breath

*Jesus I desire to know You more
Father, thank You for being here with me
The water lily lies on top of the water
But I will rest on You my friend*

Your gift of life is so precious to me
I will look to You my God
My heart longs for You, Jesus

Everything

jacintarae.com

Jesus I love You
And Jesus I adore You
Jesus I know You're near
And Jesus I desire You

*I live to worship You
I live to honour You
I live to give You praise
Jesus, You are everything*

You said, come if you're thirsty
I'm saying, Lord I thirst for You
I will come to You to live
I will call out to the nations

Loving and merciful
Lord come forgive
Show me Your ways O Lord
I'll trust in You

Yes I will celebrate
And go in peace
Mountains and hills will sing
To glorify You Lord

Christ Jesus

Words and Music by Nathan Singh 2005

You are my salvation Jesus
Walk in the light
The Lord will keep you
We live by faith not by sight
Have faith in God

Christ died for sins
Foundations of the earth are His
Jesus said remain in Me
Seek and He will set you free
A gentle answer turns away
Pray for each other everyday
Forgive and be forgiven too
No condemnation for those in You

*Christ Jesus Yeah
You are my Saviour
Christ Jesus Yeah
Christ Jesus*

You died for us on the cross
You are our Saviour
We love You till the end

Psalm 91st

jacintarae.com

Lord I know
I've been away from You
For so long
I need Your love

And I know
That You reign forever more
You will judge in righteousness
You are holy Lord

*Jesus come
Deliver me
I need Your love in my life*

Jesus Christ
You died for me
Set me free from sin & death
Guide my steps to run to You

You're my refuge
Stronghold in troubled times
We will trust in You O God
You never forsake us

Lord I know
You're waiting for me
Draw me close
I long to be with You

At Your feet

Words & music by Merolyn Gawa

Lord I seek Your righteousness
Lord I seek Your holiness
I come to You in brokenness
To lay my life at Your feet

I long to see Your face to face
To stand in awe at Your throne of grace
Draw me to Your lovely holy peace

And I will worship You
Father God, I worship you
And I will worship You
With all my heart

And as I lift my hands
I will lift Your name on high
And I will worship You
With all my heart

Walk with You (Psalm 116)

jacintarae.com

You Lord, have saved my life from death
You Lord, have saved my eyes from tears
You Lord, have kept my feet from stumbling
I will walk with You

*I will walk with You, Jesus
In the land of the living*

You Lord, are full of grace & peace
You Lord, give rest & righteousness
You Lord, are my present helper
We will praise Your name

*I will walk with You, Jesus
In the land of the living*

Dear Friends,

It's so good to experience Jesus in everyday life. Walking with Jesus is my beautiful life. My desire is that everyone in the world will experience a beautiful life walking with Jesus. Jesus takes me by the hand and says "I love you Jas, not the things you do, but just you." Over the years Jesus has brought so much freedom into my life. I wanted to share my journey with you friends. My prayer is that Jesus will bring more freedom than the world can handle into your life. This is for You Jesus, because I love You and because I desire to bring You glory all the days of my life. Thank You for the songs You have put in my heart & for letting me walk with You.

Mountains of love,

Jacinta ☺
